

2009 Fall Leaf Collection Schedule

Manheim Township's Public Works Department will begin its annual leaf collection in October and continue through mid January, weather permitting. The Township offers several options to township residents:

1. Whole loose leaves only, scheduled through mid December. Leaves should be raked into piles on the grass at the edge of the property. ***Leaves should not be raked into the street.*** It is important that leaves do not block storm inlets or fire hydrants. Leaves mixed with brush or other waste will not be collected.
2. Bag collection-whole or mulched leaves and pine needles (not to exceed thirty (30) gallon bag); biodegradable bags only, **no plastic**. Call in schedule through mid January.
3. Residents may deliver their leaves to the Township Compost Park, free of charge .

Please refer to the schedule on the next page for dates and procedures. The schedule indicates the approximate dates when collection crews will be in your area. This schedule will vary as a result of weather conditions and the times that the leaves will actually begin to fall. ***NOTE:*** If the Township completes its collection schedule early on a particular day, they will begin collecting leaves on the streets scheduled for the next day. However, the Township will be by again on the scheduled day to collect any additional leaves. The Township will do its best to maintain this schedule. Your patience and understanding are appreciated!

Any questions can be directed to Wendy Herr at 569-6406, extension 129.

Collection Schedules
