PA Forward®!

Manheim Township Public Library was recently awarded its third silver star by PA Forward®! PA Forward® is a literacy initiative of the Pennsylvania Library Association that believes that libraries are the key to powering progress and elevating the quality of life in Pennsylvania by fueling the types of knowledge essential to success: Basic Literacy, Information Literacy, Civic and Social Literacy, Health Literacy, and Financial Literacy. As we work toward our next silver star, we'd like to highlight Information Literacy this month. PA Forward® defines Information Literacy as the ability to express, connect with and understand communication in numerous formats; to locate, evaluate, and effectively and ethically use resources of information; to distinguish between credible and non-credible sources; to recognize when information is needed to further oneself, an objective or a project. If you want to learn more about PA Forward®, check out their website at www.paforward.org.
