

# Manheim Township - Volunteer Positions Application

Manheim Township has a variety of committees, boards and special task forces comprised of citizen volunteers. During the year, there is often a need to find interested citizens to fill vacancies on boards, or to find volunteers for one-time park programs, special community events, or short-term assignments on special task forces and study groups. In order to better facilitate locating volunteer minded citizens, the Township maintains a Volunteer Resources file on citizens interested and willing to serve the Township. If you are interested in getting involved, please complete the form and return it to the Township. **Thank you!**
