

Q: What's an "unattended minor?"

A: An unattended minor is a youth from the age of 12 through 17 who wishes to visit Skyline or Overlook Pool without parent/guardian. All youth under 12 years of age shall be required to have an adult guardian with them who is over 18 years of age.

Q: Why does the parent/guardian need to make an account?

A: Having the parent/guardian create an account themselves ensures the account is setup correctly with an adult (18+) as the "Head of Household" and any child underneath their name. MTRec accounts are free and no purchase is required at the point of account creation.

Q: My child only comes to the pool once a month or irregularly. Do they need an account, too?

A: Yes, all unattended minors should have a MTRec account to be eligible for admission.

Q: We have season passes – Do we need to do anything further to comply with this policy?

A: Your season pass account should have been set up with parents and children all on the account. If you purchased a "Family Pass," your children should all be assigned to the account passes. If you have specific questions, please contact us at Stauffer Mansion. (717-290-7180)

Q: Why has this policy been created?

A: Pool staff should be able to accurately contact parent/guardians for unattended minors should there be an injury, emergency, or issue at the pool.

Q: Will my child be "turned away" without a MTRec account? What about opening weekend(s)?

A: To start the season, we will approach all interactions as educational. Unattended minors will be educated on this policy change, given a handout for the parent/guardian, and permitted entry with valid payment. Expect to see enforcement of this policy after this summer (2025) is underway.

Q: I'm confused about this process – How do I make an account?

A: There are a few different ways to create an account! The best way to do this would be to click "Create an Account" on our [online portal](#). Online accounts can be made 24/7/365. If choosing to utilize one of our staff to assist, accounts can also be made by:

1. Setting up an account in-person at Overlook/Skyline with Pool Office Staff, during Pool Hours.
2. Calling Stauffer Mansion during business hours (M-F 8a-4p) at 717-290-7180
